Suvil KEiPad 2 BT

"Ultra-slim Bluetooth keyboard for the demanding"

The **KEiPad 2 BT** from **Suvil Technologies Corp.** is a Bluetooth keyboard with a size suited to the Apple iPad, but can also be used with any computer and the iPhone 4.0.

The **KEiPad 2 BT** has an ultra slim design, with a thickness of just 6.7mm and is made of ABS plastic and metal. Its keys are made with a high-quality, "scissors" mechanism giving a smooth and pleasant typing action.

The **KEiPad 2 BT** has a 2-colour mini LED in blue and red to show when it is switched on and off, when charging and when paired with another Bluetooth device.

The keyboard has 80 keys, of which 14 are multimedia and multifunction (volume, turn music on/off, previous and next track, virtual keyboard, etc).

It incorporates a rechargeable Li-Ion 300 mAh battery, which lasts between 60 hours in continuous operation and about 350 hours on standby.

The **Suvil KEiPad 2 BT** costs **€39** (incl. VAT).

Suvil KEiPad 2 BT
